

## **FOR IMMEDIATE RELEASE:**

Springfield, Virginia, USA – June 8, 2009

### **Best® Medical International, Inc. has agreed to purchase one 14 MeV cyclotron, two 35 MeV cyclotrons, and one 70 MeV cyclotron**

These cyclotrons will be manufactured by Best® Theratronics Ltd, 413 March Road, Ottawa, Canada and installed in the U.S. for PET-CT applications and isotope production (Pd-103, Cs-131, Sr-82 and others) from late 2010-2013. The cyclotrons are being sold to Best® Medical International by Best® Cyclotron Systems, a Springfield, Virginia corporation, to support their growing needs.
